About  
NEHRU MEMORIAL  
TECHNO GLOBAL  
HOSPITAL

This place has got a special aura as long back this premise was blessed by **Pandit Jawaharlal Nehru's** gracious presence at the inaugural ceremony of the hospital.

A new feather in the Techno India cap - our maiden venture in the Health sector. A state-of the art Hospital, first of its kind in the industrial area of North 24 Prgs. spread over 4 acres of land. 11 lakh square feet of construction area provides for more spacious rooms than most of the hospitals. This place has got a special aura as long back this premise was blessed by Pandit Jawaharlal Nehru's gracious presence at the inaugural ceremony of the hospital.

For nearly 30 years, Techno India Group has been committed towards imparting quality education from Playgroup to PG level, specializing in Engineering and Management studies. During last one decade, Techno India Group has spread its wings in newer horizons like Entertainment, Sports, Hospitality, Health & so on. Being the largest educational conglomerate of Eastern India, the group has already earned a commendable credibility in the society at large. So excellence on our part is expected & we are committed to fulfill that expectation.
